

Apprenticeship Levy

The **Apprenticeship Levy** applies to businesses with an annual PAYE bill of more than £3 million. The Apprenticeship Levy can be used to upskill your existing staff, and recruit and train your future workforce. Employers that do not utilise all their levy are able to **pledge** 50% of their annual fund, to support other businesses.

Apprenticeships can be hard to navigate, **we will work with you** to make it as **easy** as possible.

What you can expect:

Guidance with understanding your 50% transfer allowance

Support to pledge and upload onto the National Apprenticeship Levy Pledging page

Support to make a direct transfer pledge

Support to set criteria for where your money is spent i.e. Oxfordshire

Support to review and agree applications

Any Apprenticeship **guidance** that you require for your own business

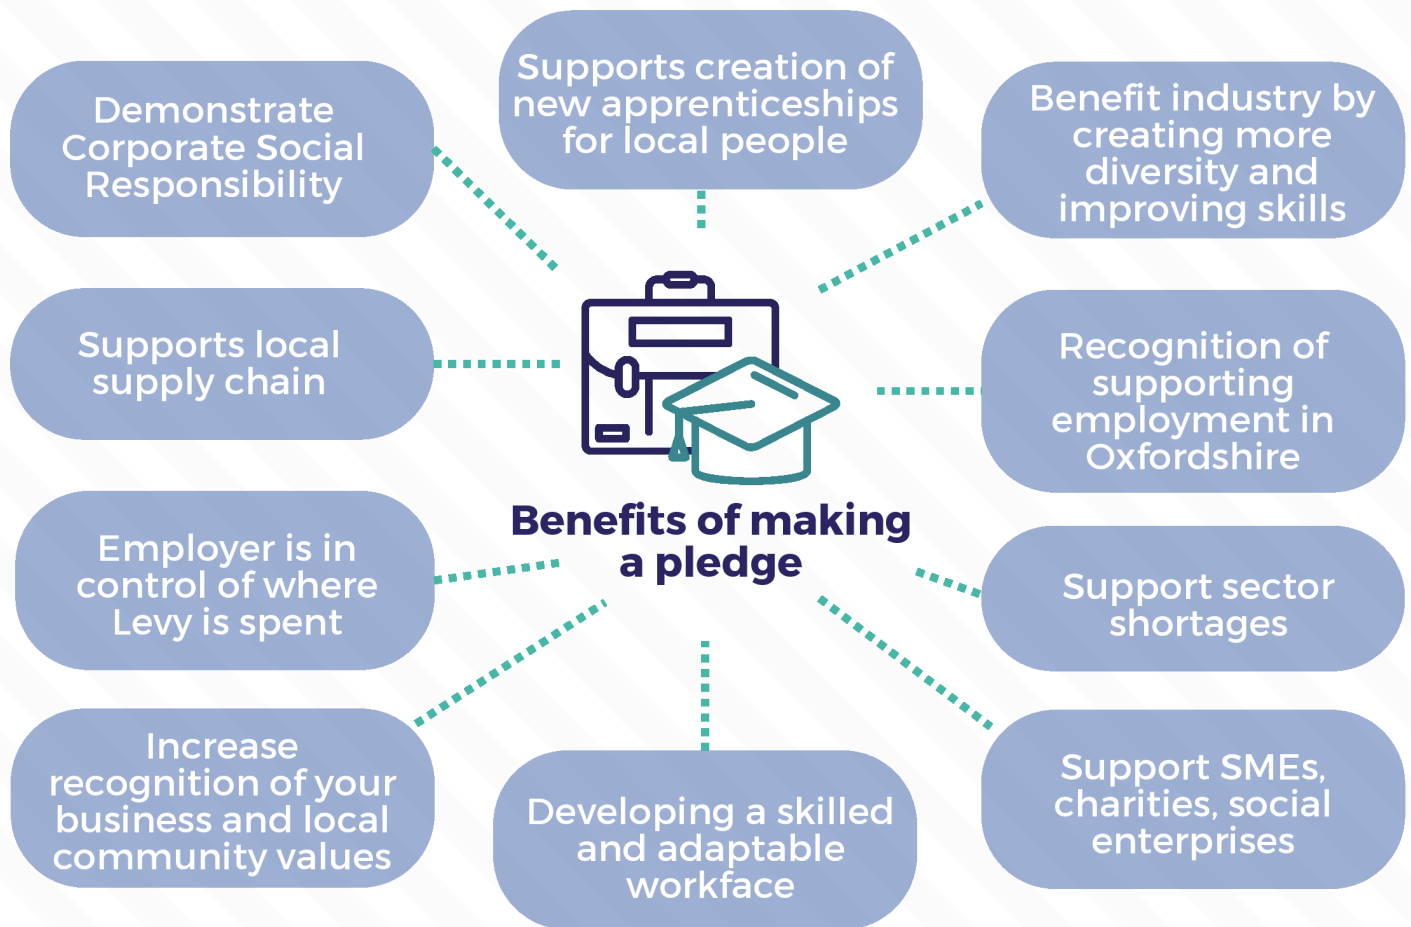

Promotion of pledge to be used for your CSV

Join other **Oxfordshire Businesses** supporting a county-wide Apprenticeship pledge fund.

Benefits of making a pledge

“

We are pleased to be partnering with OxLEP with a pledge of £35K over two years to **support business growth** in this region through apprenticeship training. We are delighted to help other businesses deliver programmes that give them the **opportunity to upskill and develop their workforces.**

”

Anne Ashworth, Head of Employee Apprenticeships at Pearson PLC
